tree planting, farm volunteering
and cycle cinema

**find out
about**

bees, water and energy efficiency

Why not get involved?

Come along to our local events

www.bradford.gov.uk/climatechange

www.climateweek.com

A wide range of events and activities are planned across the district including:

Kiri Bati Is Gone - Climate Change Photographic Exhibition

2 March -2 April. Mon, Thurs, Fri and Sat 10.30am-4.30pm
Shipleigh Focus'd, 20 Market Place, Shipleigh

Photographs by Ciril Jazbek of Kiri Bati - the series of atolls in the South Pacific where the entire nation is threatened with extinction due to climate change. During Climate Week members of the Environment & Climate Change unit will also be on hand to offer advice on what you can do to tackle climate change.

Bradford Business and Environment Forum Briefing

Mon 12 March 7.30am-9.30am
Great Victoria Hotel, Bridge Street, Bradford

Businesses are invited to come along to BBFF annual legal briefing the focus will be on the green deal and waste regulations. It's your chance to ask an expert your questions and queries - and get an answer in plain English. Breakfast & networking starts at 7.30 & briefing from 8am-9.30am. Booking essential £30 per delegate. Contact sam.saxby@bbff.org.uk

Cycle Cinema

Mon 12 March 5pm-9pm
Bradford University Student Central

Come along and watch short movies and a major climate change focussed feature film all powered by pedal power! Taking place in the students union this fun and interactive event will really show how hard the power stations have to work to make your film watching experience. With short films starting at 5pm and the main feature film at around 6pm this event will take place in the middle floor of the building or the lecture theatre. For more info on the film please visit www.facebook.com/bradfordstudentcinema

Changing the Current Climate: Giving Young People a Voice

Tue 13 March 10.30am-12.15pm
Bradford Cathedral

6th Form students from the Bradford district have been invited to the cathedral to debate climate change and quiz an expert panel. The cathedral has recently had solar panels installed so is a great venue to discuss climate change. Booking essential £3/student. Contact gillian.davis@bradfordcathedral.org

Bee Talk and Candle Making

Tue 13 March 6pm-7pm
Bradford University Student Union Building

Did you know, the university has its own bee hives? The bee keepers will be giving an informative talk followed by beeswax candle making. The Bradford Beekeepers meeting is then on from 7pm onwards so interested people are welcome to stay on for that too. Booking essential, contact b.tongue@bradford.ac.uk

Horton Community Farm Volunteers Days

Thur 15 March 1pm-4pm and Sat 17 March 10am-2pm
Horton Community Farm, Cecil Avenue Allotments, Great Horton

Horton Community Farm is transforming 1.75 acres of the underused Cecil Avenue Allotments into a thriving permaculture project for local food, environmental education and horticultural therapy. Why not come and help out?

Shipleigh Mothers Day Market

Fri 16 and Sat 17 March 9.30am-4.30pm
Market Square, Shipleigh

Come along and have fun with food at Shipleigh Mothers Day Craft and Produce Market promoting Climate Cuisine. The Ministry of Food will be doing cooking demonstrations on Friday or, on Saturday, come and make your own smoothie using pedal power. You can also find out more about the 'Love food, hate waste' campaign.

Sustainable Saltaire

Fri 16 March 5pm-7pm, Sat 17 March 9.30am-12noon
Exhibition Hall, Exhibition Road, Saltaire

Sustainable Saltaire has funding to promote home energy efficiency in the area. Why not come along to find out how you can save energy and money on your fuel bills. There will various organisations on hand to offer advice.

Forest of Bradford Tree Planting

Sat 17 March 10am-3pm
Sudgen End Household Waste Site, Halifax Road, Keighley, BD22 9DQ

Forest of Bradford is an exciting initiative to increase woodland and tree cover throughout the district. They are having a tree planting day where volunteers are invited to help with the tree planting. Please wear suitable outdoor clothing, equipment will be provided.

Water Awareness

Sat 17 March 9am-5pm. Towngate Keighley (between bus station & Airedale shopping centre)

We want to know what the citizens of Keighley think about water management and climate change. This event provides an opportunity to discuss water related issues concerning you, with researchers who work in the field of climate change and water management. Come and share your ideas and future visions for Keighley.

The wording in this publication can be made available in other formats such as large print or Braille. Please call 01274 437780.
